Welcome to the latest edition of the DPA Newsletter. Our aim is to produce a bi-monthly mailout to keep you informed of the latest information and events, featuring both disability related news articles from around the world, as well as separate members blogs and stories.

As always, accessibility is the key to all we do, so we have provided a text only version within this email.

We are always looking for contributions so please if you have anything you want to see in the forthcoming issues or want to write something yourselves, please get in contact with us on comms@disabledpolice.info
